House For Sale In Constantia

This residence, a harmonious blend of architectural marvel and serene refuge, offers a haven for its fortunate occupants.

Spanning two levels, the ground floor hosts the living spaces, including a study and library situated off the entrance hall. The open-plan living area, adorned with a palette of beautiful colors, seamlessly connects with the lush garden through French doors, creating a delightful inside-outside harmony.

On the upper floor, four opulent en-suite bedrooms and a generously sized TV lounge with exposed rafters await. Expansive garden views grace each bedroom, with American Shutters providing both shade and privacy as desired.
